

## SAVE THE DATE

This year's two-day Annual Manitoba HIV Conference will be held on October 25 and 26 at the Radisson Hotel Portage Avenue, Winnipeg.

This is an event that is aimed at professional care providers, social services people, pharmacists, as well as people with HIV/AIDS and their families and support people.

Registration for this event (which in recent years has been accredited by the College of Family Physicians and by the Pharmacists) is quite economical: \$100 for most attendees, free for PHAs (advance registration is necessary).

Further details will follow in the late summer.
